Thank you for attending our celebration of Winchester's musical heritage and industrial innovation! We hope to make this an annual event. Your feedback will inform planning for forthcoming years and provide vital input on Winchester's future business and community development.

1. Rate how you enjoyed this year's Jubilee? (1 = not at all; 10 = excellent):  
1-----2-----3-----4-----5-----6-----7-----8-----9-----10
2. What was your favorite part of the Jubilee? (speakers/presentations; musical performances; vendor booths; demos; innovation round table, contra dance):
3. What was your least favorite part?
4. How might you improve the Jubilee? Should we continue the event in the future?
5. What do you think Winchester's musical heritage means to the town today, and how might we build upon it in the future?
6. Briefly describe your vision for the future of Winchester and what particular kinds of innovative business or community developments might play into that future?
